

MCI Transformer Corporation

www.mcitransformer.com

Standard Stock Line: MCI maintains an extensive inventory of Horizontal, Vertical, and Low Profile printed circuit board transformers and quick-connect Power Transformers which are recognized under Underwriters Laboratories File No. E86403 (M). and/or CSA LR80864 and / or CE certified to EN61558 by TUV.

Custom Transformers: To 100KVA single and 3 phase. MCI can design custom transformers to your requirements whether modifying a standard design or to your own exacting criteria.

Introducing our NEW 4-54 Series Industrial Control Transformer Line

Sizes ranging from 250 VA to 5KVA!
Primary: 208V, 220V, 240V, 416V, 440V, 480V
Secondary: 80V, 110V, 120V, 160V, 220V, 240V
Optional Secondary Windings: 24V and/or 16V

UL Class 2 Designs

2.5 VA to 80 VA

Quick Connect Power Transformers

20 VA to 80 VA
4-06-, 4-07- & 2-51-style **UL CLASS 2 certified.**

CE Quick Connect Transformers

25 VA to 80 VA
4-29 style **TUV-CE & UL CLASS 2 certified.**
UL60601-1 & UL2097

CE P.C. Mount Transformers

2.5 VA to 50 VA
4-24 style **TUV-CE & UL CLASS 2 certified.**
UL60601-1 & UL2097

ALSO AVAILABLE WITH LEAD WIRES

Horizontal PC Mount Transformers 1.1 VA to 36 VA
MCI 4-01 & 4-02 style. UL & CSA certified.

Vertical PC Mount Transformers 1 VA to 24 VA
MCI 4-03 & 4-04 style. UL & CSA certified.

Low Profile PC Mount Transformers 2.5 & 48 VA
MCI 4-05 style. UL & CSA certified.

Quick Connect Power Transformers 2.4 VA to 100 VA
MCI 4-06 & 4-07 style. UL & CSA certified.

Quick Connect Triple Output Transformers
MCI 4-06-x5 & 4-07-x5 style. UL certified.

Horizontal P.C. Encapsulated Transformers 1 VA to 4.5 VA
MCI 4-11 & 4-12 style UL recognized, meets TUV-CE requirements.

CE Horizontal P.C. Transformers 10 VA to 45 VA
MCI 4-41 & 4-42 style. UL recognized, meets TUV-CE, CSA requirements.

CE Quick Connect Power Transformers 10 VA to 100 VA
MCI 4-46 & 4-47 style UL recognized, meets TUV-CE, CSA requirements.

CE P.C. Mount Transformers 2.5 VA to 56 VA
MCI 4-44 style. UL recognized, TUV-CE, CSA certified.

CE Quick Connect Transformers 25 VA to 400 VA
MCI 4-49 style UL recognized, TUV-CE, CSA certified.

International Style Transformers 200 VA to 900 VA
MCI 4-50 style Meets UL CSA TUV-CE requirements.

Industrial Control Transformers 250 VA to 5000 VA
MCI 4-54 style. *cULus* Listed, TUV-CE.

Autotransformers Step Up or Step down 50 VA to 5000 VA
MCI 4-52 & 4-53 style. *cULus* recognized.

Toroid Transformers 150 VA to 10000 VA

Horizontal P.C. Mount Switchmode Transformers
MCI 4-81 style.

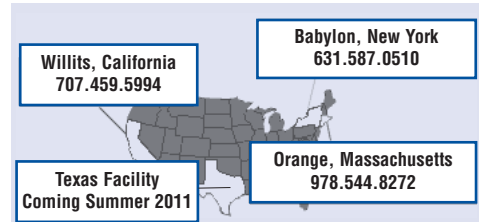

Low Profile Switchmode Transformers.
MCI 4-82 style.

MCI Transformer Corporation specializes in magnetic component manufacturing of catalog and custom transformers. We provide a wide range of magnetics from power transformers, chokes, class 2 transformers, UL 60601-1 medical certified transformers, current, toroid, and AC & DC switch mode with configurations of horizontal and vertical pc board or chassis mount. We have been serving both large and small customers for over 50 years and our products are UL, CSA and TUV-CE certified. MCI Transformer Corporation has the customer orientation of a small company which fully recognizes the special service needs of our customers. Our unique structure of REGIONAL FACTORIES provides direct, quick response and service with the purchasing and engineering power of a large company. Our offshore manufacturing capability allows for us to accommodate world class high volume requirements with the highest level of service and quality at competitive prices.

MCI eventually . . . why not now!

Engineering and Customer Service:

Our experienced design engineers are ready to discuss your application in detail. Let us help you select the best product for your particular application. Perhaps the best choice will be to use one of our standard catalog transformers. Or, if better suited, we may recommend a modified standard catalog item or a custom designed unit built specifically with your application in mind. There are many options available so why not take advantage of our long time experience, product knowledge and cost saving abilities.

Take advantage of our long time experience, product knowledge and cost saving abilities today!
