Caerus Custom & Modified Solutions

Custom

- From Low Power to Kilowatts, we **Custom Design and Produce** the Exact Power Solution for Your Needs

Modifications

- Our unique capabilities allow us to easily modify standard product:
 - ✓ DC Cable Length Adjustment
 - ✓ Connector Type Change
 - ✓ Output Voltage Adjustment
 - ✓ Adding Ferrite Beads / Chokes
 - ✓ Conformal Coating
 - ✓ Custom Labeling and Branding
- Cheaper and quicker than designing a custom supply
 - ✓ MOQ's as low as 100 pcs.
